

**DUE: January 14, 2011 (Friday) with Convention Registration**

## **AGREEMENT**

The Pan American Student Forum Chapter of \_\_\_\_\_  
in \_\_\_\_\_ will be attending the annual convention in San Antonio on  
March 11-12, 2011. It is my understanding that this is a school function and that students will  
be attending all meetings and participating in all workshops, tests, voting procedures and other  
activities related to the Convention. I also understand that my students will be properly  
chaperoned and will conduct themselves in such a way that credit will be reflected upon the  
school and the organization they represent.

Since this is a school function, all rules and regulations of the chapter's school district will apply.  
Disciplinary action will be taken against any student breaking the rules detailed in the pre-Convention  
PAN AM TIMES. Depending on the severity, the results of the disciplinary action  
may jeopardize the privilege of the sponsoring chapter to return to Convention the following  
year.
